THE MORNING PRAYER GROUP

Every morning at 9.45 a small group of people come together in the church to pray the official morning prayer of the church, known as the morning office. This prayer is said all over the world, and is second in importance to the mass.

It consists mainly of psalms and intercessions, followed by the Lord's Prayer and a blessing. In our church morning prayer is conducted entirely by lay people.

In our prayers we remember all who have asked for prayers and all who may need the special help of The Lord for whatever reason. The time taken to recite the Morning Prayer is about ten minutes. There is no obligation to attend every morning and there are no membership requirements. Just come along when you can. It is good to be there about three or four minutes before the starting time so that all are organised and ready to start on time. New people are needed for this ministry and you will be made very welcome, so why not come along and see for yourself what it is all about.
