THE SEASON OF LENT.

Next Wednesday, March 5th marks the beginning of Lent. During this time why not take the opportunity to refocus your life. In our busy world God can often get overlooked or pushed to Sunday or become a 'Blue Light' God, there for emergencies. Lent is a chance to give God some quality time. So in addition to giving up something for Lent, what will you do to bring God back?

10 PRINCIPLES FOR LIFE

Prayer isn't a "spare wheel" that you pull out when in trouble, it's a "steering wheel" that directs the right path throughout.

A car's windshield is so large & the rear view mirror so small because our past is not as important as our future. So look ahead and move on.

Friendship is like a book it takes a few seconds to burn but years to write.

All things in life are temporary; if it's going well enjoy it, it will not last forever. If it's going wrong don't worry, it will not last forever.

Old friends are Gold, new friends are Diamond. If you get a diamond don't forget the gold, because to hold a diamond you always need a base of gold.

Often when we lose hope and think; 'this is the end'. God smiles from above and, 'Relax, sweetheart, it's just a bend, not the end.'

When God solves your problems you have faith in God's abilities; when God doesn't solve your problems God has faith in your abilities.

A blind asked St Anthony: 'Can there be anything worse than losing your sight?' He replied : 'Yes, losing your vision.'

When you pray for others, God listens to you and blesses them, and sometimes, when you are safe and happy, remember that someone has prayed for you.

Worrying does take away tomorrows troubles, it takes away today's peace.
