In three weeks time on the
Solemnity of Christ the King
the Year of Faith that was
launched by Pope Benedict

XVI will conclude. The pur-
pose of the year of faith was to give us an
opportunity to pause and to reflect and
reconnect with our Faith, but not in some
meaningless abstract way but in a very
real and tangible way in and through the
person of Jesus.

The year of faith was/is a specific moment
when the church put before us this oppor-
tunity; but this is something that we can
do anytime. In three weeks time, when the
year of faith concludes we will begin a
new church year with the season of Ad-
vent, perhaps that could be another oppor-
tunity to renew our faith. A moment in
time when we can recommit ourselves to
our loving relationship with God and re-
commit ourselves to showing that love by
loving those around us.

Always pray to have...
Eyes that see the best.

A heart that forgives the worst.
A mind that forgets the bad.
And a soul that never loses faith.
