**Over the next few weeks we will include
the Lenten Message from Our Holy Father
Pope Frances—below is part one.**

**Pope's Lenten Message: "by his poverty
you might become rich"**

The theme of the Message is drawn from a Letter of St. Paul to the Corinthians, "He became poor, so that by his poverty you might become rich" (cf. 2 Cor 8:9).

Dear Brothers and Sisters,

As Lent draws near, I would like to offer some helpful thoughts on our path of conversion as individuals and as a community. These insights are inspired by the words of Saint Paul: "For you know the grace of our Lord Jesus Christ, that though he was rich, yet for your sake he became poor, so that by his poverty you might become rich" (2 Cor 8:9). The Apostle was writing to the Christians of Corinth to encourage them to be generous in helping the faithful in Jerusalem who were in need. What do these words of Saint Paul mean for us Christians today? What does this invitation to poverty, a life of evangelical poverty, mean to us today?

Christ's grace

First of all, it shows us how God works. He does not reveal himself cloaked in worldly power and wealth but rather in weakness and poverty: "though He was rich, yet for your sake he became poor ...". Christ, the eternal Son of God, one with the Father in power and glory, chose to be poor; he came amongst us and drew near to each of us; he set aside his glory and emptied himself so that he could be like us in all things (cf. Phil 2:7; Heb 4:15). **(More Next Week)**
